FSP Name: Risk Sure Insurance Brokers
FSP Number: 46983
Date: 1 March 2020

1. Introduction

Risk Sure Insurance Brokers (Pty) Ltd, as an authorised financial services provider, has a strong focus on customer satisfaction. Our mission is to be a respected and recognised provider and our Treating Customers Fairly (TCF) policy is an integral part of that objective.

Our TCF policy is structured according to the guidance provided by the Financial Services Board to ensure we consistently deliver fair outcomes to our clients. We take responsibility for Risk Sure Insurance Brokers (Pty) Ltd and all staff providing an enhanced service quality to clients, based on a culture of openness and transparency.

2. The Six Fairness Outcomes

Risk Sure Insurance Brokers (Pty) Ltd will strive to comply with and contribute to the TCF fairness outcomes, viewed from the perspective of the customer:

- Outcome 1: Customers are confident that they are dealing with providers where the fair treatment of customers is central to the provider's culture.
- Outcome 2: Products and services marketed and sold in the retail market are designed to meet the needs of identified customer groups and are targeted accordingly.
- Outcome 3: Customers are given clear information and are kept appropriately informed before, during and after the time of contracting.
- Outcome 4: Where customers receive advice, the advice is suitable and takes account of their circumstances.
- Outcome 5: Customers are provided with products that perform as providers have led them to expect, and the associated service is both of an acceptable standard and what they have been led to expect.
- Outcome 6: Customers do not face unreasonable post-sale barriers to change products, switch providers, submit a claim or make a complaint.

3. Achieving the Outcomes

Risk Sure Insurance Brokers (Pty) Ltd will aim to demonstrate through our behaviours and monitoring that we are consistently treating customers fairly throughout the stages of the product life cycle to which we can contribute. These may include:

- Product and service design: Products and services and their distribution strategies are designed and developed for specific target markets, based on a clear understanding of the likely needs and financial capability of each customer group.
- Promotion and marketing: Products are marketed to specific target groups, through clear and fair communications that are not misleading and are appropriate to the target group.
- Advice: Where advice is provided, advisors are fully equipped to provide advice that is suitable to the needs of the customer concerned, following the objectives of TCF and avoiding conflicts of interest.
- Point-of-sale: To provide clear and fair information to enable customers to make informed decisions about transacting with Risk Sure Insurance Brokers, our products and services. Product risks, commitments, limitations and charges must be transparent.
- Information after point-of-sale: To provide customers with ongoing relevant information to enable them to monitor whether the product or service continues to meet their needs and expectations, and provide acceptable levels of service for post-sale transactions or enquiries.
- Complaints and claims handling: To honour representations, assurances and promises that lead to legitimate customer expectations. Legitimate expectations must not be frustrated by unreasonable post-sale barriers. There is a requirement for fair and consistent handling of claims and a mechanism to deal with complaints in a timely and fair manner.
